SUBJECT: Wyoming Endurance Business Relief Program - Chapter 1 - General Provisions; Chapter 2 - Wyoming Endurance Business Relief Program

NATURE OF RULES: Legislative, procedural

STATUTORY AUTHORITY: 2020 Wyoming Special Session Laws, Chapter 1

SUMMARY OF RULES: These rules create the Endurance Business Relief Program for businesses and nonprofits impacted by the COVID-19 pandemic. This program uses CARES Act funding to compensate these entities for losses and expenses incurred due to the pandemic. The rules impose a cap of \$250,000 for each award recipient. The program first prioritizes funding for applicants who have not received funding through another state pandemic relief program and next prioritizes applicants based on how much funding they have received through other pandemic relief programs.
